

Programme

Five years of Supply Chain Initiative and future prospects

27 March 2018, 09.00-11.30 followed by a lunch

Thon Hotel EU

Rue de la Loi 75, 1040 Brussels

Room: Netherlands III

On this occasion, the Supply Chain Initiative will release its annual report of activities.

The Supply Chain Initiative aims at promoting good trading practices in the food supply chain. It is a joint initiative run by several EU level associations. They represent the food and drink industry (FoodDrinkEurope), the branded goods manufacturers (AIM), the retail sector (the European Retail Round Table (ERRT), EuroCommerce and Independent Retail Europe), agricultural traders (CELCAA) and SMEs (UEAPME). Since October 2017, Mr Michael Hutchings joined the SCI as its independent Chair.
